

## Cizar Multipurpose Cleaner with Enzyme

Cizar Multipurpose Cleaner with Enzyme is an advanced cleaning solution designed to effectively remove dirt, grime, and malodors from a variety of surfaces. Its enzyme-powered formula breaks down organic matter, ensuring deep cleaning while being gentle on surfaces. With its pH-neutral formulation, this cleaner is safe for regular use on floors, tiles, glass, furniture and more. It also offers antibacterial and disinfectant properties, leaving surfaces hygienic and refreshed with a pleasant lemon fragrance.

### Features :

- Enzyme-powered formula: Breaks down organic stains and dirt.
- Eliminates malodors: Ensures long-lasting freshness.
- Antibacterial & Disinfectant: Provides hygienic cleaning.
- Fragrance: Refreshing lemon scent.
- pH-neutral: Safe for use on all hard surfaces.
- Versatile: Suitable for both manual and machine cleaning methods.

### Capacity :

- Available in 5 Litres Can Packaging
- Bulk commercial pack for long-duration usage

## Application Areas :

- Ceramic and vitrified floors
- Tiles and washroom surfaces
- Glass and mirror surfaces
- Wooden and laminate furniture
- Commercial kitchens and workspaces
