

## Cizar Toilet Bowl Cleaner

Cizar Toilet Bowl Cleaner is a bio-enzyme-based eco-friendly cleaning solution specially formulated to remove dirt, grime, stains, and unpleasant odor from toilet bowls, urinals, and washbasins. Its non-toxic and chemical-free formulation disinfects, deodorizes, and prevents future buildup while delivering safe and effective cleaning performance.

### Features :

- Powered with proprietary bio-enzyme technology
- Effectively removes dirt, grime, and odor
- Disinfects and deodorizes toilet surfaces
- Prevents future stain and scale buildup
- pH-neutral and surface-safe formulation
- Non-toxic and non-corrosive composition
- Free from bleach, ammonia, acids, and alkalis
- Safe for regular commercial and residential usage
- Highly concentrated and cost-effective formula
- GreenPro Certified eco-friendly cleaning product

### Capacity :

- Available in 5 Litres Can Packaging
- Also available in smaller spray bottle variants

## Application Areas :

- Toilet bowls and urinals
- Washbasins and restroom fixtures
- Commercial washrooms and public toilets
- Hotels and hospitality facilities
- Hospitals and healthcare environments
- Offices and corporate buildings
- Educational institutions and campuses
- Shopping malls and retail spaces
- Residential bathroom cleaning applications
- Industrial and institutional washrooms

## Instructions for Use :

### Normal Soiling

- Apply 5–6 sprays directly on the surface
- Allow solution to act for a few minutes
- Scrub lightly and rinse with water

### Heavy Soiling

- Apply 8–9 sprays on heavily stained areas
- Leave for a few minutes before scrubbing
- Rinse thoroughly after cleaning

### Recommended Usage

- Suitable for daily toilet maintenance cleaning
- Ideal for manual restroom cleaning applications
- Regular use helps control odor and stain buildup
